

Press Release

Mohonk Mountain House selects ResortSuite SPA to manage its new 30,000 sq. ft. Spa

Toronto, ON – May 24, 2005 – Enablez Inc. - a leading provider of guest-centric spa management software - proudly announces that Mohonk Mountain House, one of America's oldest family owned resorts, has selected ResortSuite SPA to manage its new 30,000 sq. ft. full-service spa. Designed specifically to manage sophisticated resort and hotel, day, club, medical and multi-location spa operations, ResortSuite SPA will provide The Spa at Mohonk with a myriad of unique features including, customer relationship management, flexible group, package, and multi-day booking, inventory and staff management, gift card fulfillment, and operational reporting.

"After a thorough evaluation process, ResortSuite SPA was chosen because it easily surpasses all our system requirements and holds a reputation as a leading solution in the spa industry," said Jacquelyn Appeldorn, General Manager at Mohonk Mountain House. "For generations, guests have visited our property to experience its beauty and wide choice of amenities. The opening of the new fitness and spa facility will certainly expand its appeal, and the capabilities ResortSuite SPA brings to our operation will ensure our guest's experience remains our primary focus."

Connected to the enchanting Mohonk Mountain House and situated on the deep-blue waters of Lake Mohonk in the Hudson Valley, The Spa at Mohonk Mountain House will house a three-story facility that includes an indoor pool, expanded fitness center, yoga/motion room, and full-service spa. Highly anticipated by the residents of New York State, The Spa at Mohonk Mountain House is dedicated to the wellness, comfort, and contentment of its guests.

Frank Pitsikalis, President of Enablez Inc. stated, "We are extremely pleased to be the solution of choice for The Spa at Mohonk Mountain House and look forward to contributing to the success of such a significant milestone in the history of this classic resort. With ResortSuite SPA, staff will spend more time servicing guests and not executing functions that should be automated. Building strong relationships with such world-renown clients such as Mohonk Mountain House, continues to reinforce the rich capabilities ResortSuite SPA offers to fine destination spa properties."

About Mohonk Mountain House:

A famed destination for over 130 years, Mohonk Mountain House or "lake in the sky" is situated 90-minutes north of New York City. This grand 251-room Victorian castle includes a variety of guestroom options, 85-mile hiking trails, 18,000 sq. ft. skating pavilion, and award-winning gardens and Victorian maze. In addition to sharing the warmth and comfort of this majestic resort, guests enjoy a variety of features and recreational activities including, skiing, tennis, fishing, boating, and golfing.

About Enablez Inc.:

Enablez Inc., based in Toronto, Canada, is the provider of ResortSuite, a sophisticated and fully integrated customer-centric hospitality management software solution. ResortSuite was developed specifically for hotels, resorts, inns and conference centers and their multi-faceted business areas. The ResortSuite solution was built on the Oracle database and includes the following specialized modules: **PMS, SPA, CATERING, F&B, GOLF, SKI, CLUB, and RETAIL.** All modules oversee the areas of an operation in parallel but share common core capabilities, creating a customer-centric, integrated management solution. Enablez prides itself on delivering exceptional support and forging strong business relationships with its clients and partners.
