Award Winning Wheatleigh Selects ResortSuite's Boutique Hotel Management Solution

Toronto, ON - ResortSuite, a leading provider of integrated, guest-centric hospitality management software solutions has announced the selection of its boutique hotel solution by the exquisite Wheatleigh in Lennox, MA. Described as the epicenter of Berkshire style and hospitality, Wheatleigh will implement the ResortSuite PMS, F&B and SPA modules to manage accommodation, dining and spa operations.

Combining exceptional personal service and extraordinary cuisine with the elegance and comfort of the 21st century, Wheatleigh is a member of *The Leading Small Hotels of the World* and has acquired various prestigious awards including, *Travel & Leisure's* The World's Best Hotels: Top 100, and *Andrew Haper's Hideaway Report's* Hotel of the Year. Committed to maintaining a flawless standard in guest service, [Wheatleigh](#) required a modern system that would manage guest preferences and activities inclusively, including, their initial room reservation through to their dining and spa experiences.

"We were extremely impressed by the solution's ability to store and share critical guest information across the entire property without interfacing," stated Simon Linfield, Owner of Wheatleigh. "The overall capabilities of the system, including the enterprise-wide views, the team's knowledge of the [boutique hotel](#) business model, and the commitment to ongoing product development were the reasons we chose ResortSuite."

"We are honored to welcome Wheatleigh to our list of distinguished clients," commented Frank Pitsikalis, ResortSuite Founder & CEO. "With the deployment of ResortSuite's boutique solution, Wheatleigh has embarked on a greatly rewarding partnership. We look forward to helping them continue to improve their guest service and to establishing long and loyal relationships with each and every guest."
