### **ResortSuite Founder & CEO, Frank Pitsikalis, Appointed Vice-Chair of First HTNG Vendor Advisory Council**

TORONTO - ResortSuite, a leading provider of integrated guest-centric hospitality management software, is pleased to announce that Frank Pitsikalis, Founder & CEO, was appointed as Vice-Chair of Hotel Technology Next Generation's (HTNG) first Vendor Advisory Council. Along with fourteen other senior executives from the hospitality vendor and consulting community, Frank was chosen by his peers within HTNG's membership to represent vendor interests in HTNG's governance process.

The Council was established to help HTNG address the needs and concerns of its members who are hospitality technology vendors and providers. In addition to improving communications between HTNG's vendors and the hotel IT executives serving on the board, the Council is also expected to provide an excellent forum for sharing ideas on how to grow HTNG and improve its effectiveness as the primary source for technical expertise, product development, and innovation.

"I am honored and inspired to be Vice-Chair of HTNG's first Vendor Advisory Council," said Frank Pitsikalis, Founder & CEO of ResortSuite. "I look forward to working with this impressive group of hospitality technology leaders to serve the HTNG board and collaborate on the technology innovations and solutions that will shape our industry in the future."

#### **About ResortSuite**

ResortSuite is a sophisticated and fully integrated guest-centric hospitality management software solution developed specifically for hotels and resorts, boutique hotels, spas, clubs and leisure operations, and their multi-faceted business areas. The ResortSuite solution is built on an Oracle database and includes the following specialized modules: PMS, SPA, CATERING, F&B, GOLF, SKI, CLUB, RETAIL, CONCIERGE, CONNECT, DASHBOARD, WEB, SOCIAL and MOBILE. All modules oversee the areas of an operation in parallel but share common core capabilities, creating a guest-centric integrated hospitality management solution. ResortSuite prides itself on delivering exceptional support and forging strong business relationships with its clients and partners and was awarded Hotelier Magazine's Supplier of the Year Award. For more information on the ResortSuite solution, please visit [www.resortsuite.com](http://www.resortsuite.com).

#### **About Hotel Technology Next Generation**

The premier technology solutions association in the hospitality industry, Chicago-based HTNG is a self-funded, non-profit trade organization with members from hotel and hospitality companies, technology vendors to hospitality, and other industry members including consultants, media, and academic experts. HTNG's members participate in focused workgroups to bring to market open solution sets addressing specific business problems. HTNG fosters the selection and adoption of existing open standards. Where necessary, it also develops new open standards to meet the needs of the global hospitality industry. Membership in HTNG is open to hotel and hospitality companies, technology vendors to hospitality, consultants, academics, press and others. Currently more than 400 corporate and individual members from across this spectrum, including most of the world's leading hotel companies and technology vendors, are active HTNG participants.
